# COUNCIL ROW: NEW STEP

## BOOK OF BALMAIN HOUSES

"The Houses of Balmain", a book recently published, is a photographic look at Balmain.

Photography is by John Wong, and the text by Robert Irving.

The book shows old and not-so-old houses; newly renovated ones; houses in average repair, and derelict houses—all in all, a pretty good cross section of Balmain, and well photographed.

Our critic declares, however, that there are some unfortunate omissions, which detract from the book's value. The text is interesting, though not as complete as most would like.

More history of some of the houses and of Balmain in general would have improved the work.

At \$2 the book is good value

## Minutes Claimed To Be Incorrect

**Eighteen persons who said they were members of the public gallery at Leichhardt Council meeting on May 14 have written to the Minister for Local Government (Mr. Morton) alleging incorrectness of the Council minutes of that meeting.**

Heading the signatories is Miss Alicia Lee, of Ballast Point Road, Birchgrove.

Miss Lee was a candidate at the last Council elections for Rozelle Ward, and is a Vice-President of the Balmain-Leichhardt Labor Party, whose three representatives—Aldermen Wyner, Origlass and Graham—were removed by police from that meeting and the two succeeding ones for alleged disorder.

Miss Lee told "The Link" that the letter

should by now be in the Minister's hands. It had been signed by her as a citizen, without mentioning her party affiliation, and by 17 other persons (mostly residents of Balmain or Glebe) who had attended the meeting as members of the public.

They asked the Minister to take action to have corrected certain "grave errors of fact" appearing in the minutes for the previous meeting which had been adopted by Council on May 28.

One extract from the minutes complained of was:

"Alderman Wyner, then Alderman Graham, disrupted the meeting by acts of disorder, and, after a number of warnings given in a similar manner of the consequences of continuing any disorder, they were named by the Mayor in accordance with Section 87 2F of the Local Government Act 1919 as amended."

The letter said there was no mention of Ald. Origlass taking a point of order, which was referred to throughout the minutes as an "interjection".

The writers disagreed with the minutes in several particulars, especially regarding the claims of "interjecting" and "disorder" and the description of the motion of dissent moved by Alderman Wyner and Graham as "acts of disorder".

If their account was correct, they said, it would follow that the aldermen's expulsion from the chamber was without due cause.

The signatories were prepared to testify to the correctness of their account of the events.

### "Serious"

They said they did not lightly raise the point regarding the errors, which they believed was a serious matter, and added:

"It would be a serious enough matter in itself even apart from the grave consequences that attend this matter—namely, that three persons elected by due process to represent the residents of an area have been denied access to the chamber for apparently an indefinite period.

"Those of us who are residents of their ward are, naturally, very concerned at being deprived

## Migrant Mothers' English Classes

**The special English classes for migrant mothers at Rozelle Infants' School are going well, although there is room for quite a few more mothers.**

The classes were started in April in an effort to speed up the assimilation of migrants.

They were the idea of the principal of Rozelle Junior Boys' High School, Mr. C. J. Cox, and the infants' mistress, Miss P. O'Sullivan, who felt that there was a special need to teach English to migrant mothers, who were often too shy to attend normal classes in English arranged for migrants.

### Enjoyment

It was decided to hold the lessons early in the afternoon, before the mothers picked up their children from school.

Between six and ten women attend the classes regularly, and progress is as expected.

According to Miss O'Sullivan, "They are really learning English". They are required to speak to one another in English while at the classes, and are really

enjoying it, especially when discussing cooking and exchanging recipes.

Members of the school's Mothers' Club mind any pre-school children of the women attending the classes.

Miss O'Sullivan said that some migrant women who wanted to attend did not do so because their children went to other schools, and they believed they would not be permitted to attend.

This was not so. They could still attend the classes, which ended in time to allow them to go to the other schools to pick up their children.

Nor did it matter if the migrants were not good at reading and writing their native language. They could still learn to read and write English at the classes.

Miss O'Sullivan added: "Come on, ladies! Don't be shy!"

She thought husbands should encourage their wives to attend the classes, which would help them very much to "fit in" their new homeland.

The classes are held on Mondays and Wednesdays, between 2 p.m. and 3.15 p.m.

## Local Firm In Big Real Estate Deal

**F. A. Baker, Silver Pty. Ltd., well-known real estate agents of Victoria Road, Rozelle, figured in a substantial real estate deal last week.**

They were the agents who effected the sale for \$101,000 of a picturesque waterfront property at Vaucluse—a 10,000 sq. ft. block of land in Fitzwilliam Road.

Included in the sale was a 70-year-old single-storey home. Auctioned on behalf of Mr. L. J. Wright, it failed to reach the reserve price of \$105,000, but was subsequently bought privately by Mr. Peter Kurts, a Vaucluse real estate developer.

The sale was effected by F. A. Baker, Silver Pty. Ltd., through the services of the Estate Agents Co-operative Ltd., Mr. Frank Baker, auctioneer.

Mr. Baker said the price of \$101,000 per square foot represented one of the highest ever paid in Sydney for residential land.

The need here is for high-density flat and home unit development.

We need population, development and a Council—not a team of men who would be welcomed at a boxing side show but a Council that will get on with the job.

Anything would be better than what we have got: an administrator—no Council—no political parties—JUST ADMINISTRATION!

## COLUMN NINE

### RESIDENTS, FACE UP!

The time is long overdue for residents of this municipality to demand a new deal.

How can a Boxing Council hope to get down to the task of rejuvenating these suburbs?

One authority says the Mayor is the boss, and that he can't interfere. Yet for the past three Council meetings there have been more punches exchanged than you could hope to see in the stadium.

An ordinary man in the street can be disciplined, yet a Council is beyond disciplinary action! This is too silly for words.

Don't forget that these aldermen have in the palms of their hands the elected right to administer YOUR area and determine its future.

Residents here will have to wake up. You can hope for nothing whilst in the hands of up-and-coming four rounders.

The job of administration here is great, but, let's face it—WHO CARES?

This Council in its short term of office has outlived its usefulness. For years it has been useless. The evidence of this is the gradual deterioration that has taken place here.

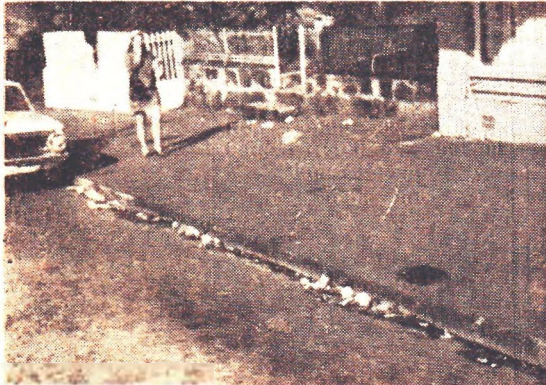

It's as plain as the nose on your face. All you have to do is to look around at a suburb scarred with unwanted industry and too many homes fenced in with high walls to keep out the outside world.

The need here is for high-density flat and home unit development.

We need population, development and a Council—not a team of men who would be welcomed at a boxing side show but a Council that will get on with the job.

Anything would be better than what we have got: an administrator—no Council—no political parties—JUST ADMINISTRATION!

## Balmain's Unswept Main Street

Balmain's main street—Darling Street—is supposed to be flushed by the Council staff every night. Clean enough in many sections, it is decidedly untidy in quite a few at times, as our pictures illustrate.

These three are of gutters within a block or two of the Post Office. Taken one recent week-day, they illustrate a not-uncommon situation.

Some critics have told us that too often the flushing consists of waving streams of water "in the general direction" of the gutters and footpaths from a vehicle moving at "a rate of knots".

The complaint has been referred to the Mayor, who has promised to have it investigated. (Story elsewhere this issue.)

## R.S.L. CORNER

We regret to record the following local deaths last week:

• Mr. Dick Coulter, aged 89. He had lived in Smith Street, Balmain, for over 40 years.

• Mrs. Lena Vella, who had lived in Balmain for over 30 years. Her sons and daughters were known to most people here.

• Frank Hammond, a very prominent member of Balmain Tennis Club for many years.

• Bob (Silver) Pilcher; and Patrick O'Hair, and Irish gentleman, who was a member of the club and had no living relative in Australia.

A visitor to the club on Queen's Birthday, was Frank White, of Moree Ex-Servicemen's Club, and a full member of Bellata R.S.L. He enjoyed his short visit here immensely. He will be telling all members of R.S.L.'s in the north-west of the State that they will always be welcome in Balmain-Rozelle R.S.L. Club.

Sunday afternoon's Monte Carlo was won by Frank and Alice Barbour. At night, the jackpot was won by Johnnie Kinney and Nancy Young, but Nancy fail-

ed to draw an ace, so this Sunday it will be worth \$60.

Members' attention is drawn to this week's events. Wednesday night, a secret ball will be worth \$20—convener, Mr. Joseph Ryan. Thursday will be a men's prawn night, with the artist the one-and-only Mr. Filth (Bruce Sacre), thought by some to be the best comedian in N.S.W.

### Car Lights

The N.R.M.A. urges motorists not to wait until the last minute before switching headlights on at dusk.

Some people wait until the last possible moment in the mistaken impression that to switch on early would waste electric current.

In fact, a car with a reliable electrical system generates electricity faster than it can be used up.

It is especially dangerous when a single car in a line of traffic fails to turn its lights on. Such a vehicle tends to go unnoticed by oncoming drivers, who may inadvertently turn in front of the unseen vehicle.

# ANTI-LITTER CAMPAIGN EXPECTED SOON

Leichhardt Council hopes to conduct an anti-litter campaign throughout the municipality shortly.

The Mayor, Ald. L. Rodwell, believes an appeal for co-operation should be made to all residents as well as industry and commerce in the area.

Ald. Rodwell agreed with the Sydney City Commissioners that there should be an intensive anti-litter campaign throughout N.S.W.

The Chief Civic Commissioner, Mr. V. T. Treatt, was reported recently as saying that the problem of litter was so extensive that it had assumed a national character.

He said it was the considered judgment of those with experience of the problem that, in appropriate circumstances, fines of a deterrent character should be imposed.

## In Glebe

Mr. Treatt said that the Minister for Local Government, Mr. Morton, would be asked to seek the co-operation of all N.S.W. Local Government bodies.

Ald. Rodwell told "The Link" that Leichhardt Council had conducted an anti-litter campaign in Glebe during recent months.

The campaign had become necessary following the alteration in garbage collection in the area.

When Glebe was part of the City Council area,

it enjoyed three garbage collections per week; but since Leichhardt Council collected garbage only twice per week, Glebe residents lost one collection.

When they began to put rubbish out into the lanes, the Council was tolerant. It advised residents of the days of collection, asked that the practice should cease, and sought their co-operation.

In former anti-litter campaigns in Leichhardt Municipality, the Mayor said, Council had placed litter bins outside commercial premises and asked employers to use them.

The move had brought good results.

## The Schools

He thought Council should now ask the schools for assistance in anti-litter campaigns.

He believed it important to instil into children an appreciation of the necessity to display civic pride.

Ald. Rodwell said he would like to see Council health officers ask the school principals for

a little time to present

the case to the children.

"If kiddies have not been told about this matter, you can't blame them if they become litter-bugs", he said. "But if you get through to them you have ready-made anti-litterbugs when they grow up."

"Most residents are conscious of their duty not to leave litter in public places. It's just the minority who offend."

## Cleansing

"The Link" passed on to Ald. Rodwell a complaint that some parts of the main streets of Balmain — particularly Darling Street — were not being adequately cleansed by the Council staff.

Sections specially mentioned were near the Town Hall, where it was reported that the gutter, at least, went for days without being flushed.

The Mayor said he would have the complaint investigated.

He said that the street-cleaning programme was for Darling Street to be attended to every night. However, the presence of parked cars often made that work difficult.

## ALPINE HOLIDAY

Tourists who propose to visit the snowfields in the Southern Alps or Snowy Mountains area should make accommodation bookings well in advance to avoid disappointment.

Those who wish to visit only the Snowy Mountains Hydro-Electric Scheme, and possibly stay overnight at Cooma or some other township on the fringe of the area, also should be sure of their accommodation before departure.

The overflow from the snowfields places a strain on all accommodation in the area.

# How Many New Pupils For Rozelle School?

Parents who will have children ready for admission to Rozelle Infants' School this year or next are advised to let the school know immediately, otherwise there may be difficulty in accommodating them.

The school is making a survey of the district to find out what additional accommodation will be required at the school until the new high school in Terry Street is ready for use.

There is quite a big fluctuation of children in the infants' department, making it very difficult to assess with any degree of accuracy the needs of the area for any period.

One of the reasons for this is the fact that this district is being found convenient as a stepping stone by migrants on arrival in Australia, until their funds and occupation permit them to move to other parts of Sydney.

### Register

Miss P. O'Sullivan, infants' mistress at Rozelle Junior Boys' High School, said this week that in order to make arrangements for additional accommodation at the school, it was necessary to know the number of pupils who would be seeking admission during 1969 and 1970.

She asked parents of children who would be turning five years of age between now and November 1970 to call at the school as soon as possible and register prospective pupils.

This, she said, would greatly facilitate the arrangements to ensure that accommodation would be available during the intervening period.

Parents should contact her at any time during school hours, to fill in an enrolment form.

Miss O'Sullivan said it was important that parents should co-operate with the school in the survey.

If the needs of the

district in regard to accommodation for infants were under-estimated, it was possible that some children could not be accommodated when the time came for them to attend.

Meanwhile, the arrangements made this year for securing temporary relief of the infants' school accommodation problem—hiring the Presbyterian Church hall adjacent to the school for use by one class—was working well.

Access had been provided between the school playground and the hall, and the children were able to play on grass during recess.

### Open Day

The school will hold an open day on Wednesday, July 9, for first grade pupils' parents to visit the school. They will see their children at

work and be able to discuss their progress with the teachers.

The date falls during Book Week, and parents will be encouraged to donate a book to the school library. Books suitable for that purpose will be available at the school.

## Alpine Driving

Motorists visiting the Southern Alps during winter should have an anti-freeze solution in the radiator or, alternatively, drain the radiator and engine block each night.

Wheel chains should be carried to avoid trouble on slippery road surfaces.

It is wise to drive according to weather conditions and to note all road warning signs, says the N.R.M.A. A maximum speed limit of 40 m.p.h. now applies on the Mount Kosciusko Summit Road.

# YOUR OPINIONS

## What Is Solution?

May I congratulate you on the excellent articles in Column Nine, particularly that in June 4 issue, "Return Balmain Council".

I have come to live in Balmain because of its historic interest and its closeness to the heart of the city.

We all wish to see the good architecture of the old buildings and the foreshores of our lovely harbour preserved, but the progress of Sydney as a great trading port has to be considered, too.

We must provide terminals for the shipping, and there is no doubt that containers are a tremendous improvement on the old system of handling goods.

What do you suggest as a solution of the problem?

Even if Botany is used, that would hardly cope with future growth in trade. Perhaps air transport will take the place of ships?

The reorganisation of Councils seems to be

necessary, but I don't know why.

I wish you success in your efforts for Balmain.  
—S. Scroggie  
(Bradford St.)

## Scenic Road

I was disturbed to read in your paper on May 7 that Leichhardt Council is considering a foreshore "scenic road" along Iron Cove.

Any such proposal should be strongly resisted.

Small scale natural or man-made irregularities create the scenic charm of foreshores which the construction of a scenic drive immediately destroys, thereby defeating its end.

For the motorist there exist already in the Sydney region and further afield many "scenic" drives.

The pedestrian, on the other hand, perhaps seeking a quiet retreat from asphalt and noise, has very few places to go. It is very wrong to destroy those few that remain.

Open up access to, and plant trees along, the waterfront; construct

## ASSISTING GREEK MIGRANTS

Assisted migration from Greece has been extended to single women between 18 and 45 years who are sponsored by relatives up to the degree of second cousins.

The Minister for Immigration, Mr. Snedden, said the extension of the assisted categories for single women followed negotiations with the Greek Government.

This financial year had already shown a positive move towards balancing the sexes by broadening the opportunities for sponsorship of single women from Yugoslavia and Italy.

Greek residents in Australia who wished to sponsor their female relatives from Greece under assisted passage arrangements would warmly welcome the opportunity now provided.

paths, build restaurants and playgrounds in appropriate places; but learn from the tragic and do NOT construct American experience roads.

—Esther Kamm  
(Balmain).

## IN MEMORIAM

**COLEBROOK.** — Treasured memories of our dear mother, mother-in-law and grandmother. Violet Reuben, called to rest 21st June, 1956. On this day may all the joy that you have given to us come back to bless with eternal rest. The dearest of all mothers. Loved and remembered by her daughters, sons, daughters-in-law, sons-in-law and grandchildren.

**McCORRISTON, John (Corrie).** — Passed away 14th June, 1966. What would I give to see you smile, To sit with you and talk awhile; To be together in the same old way Would be my dearest wish today. Always remembered by his pal, Jim Scullion.

**MYLES, Bessie.** — Passed away 20th June, 1959. The face we loved is missing, The voice we love is still; Two hands that did so much for us Are resting at God's will. She gave love with fullest measure, Care, devotion, thoughts to treasure. In our hearts she will live forever, The dearest wife and mother God could give. Sadly missed by her loving daughter Julianne and husband "Wy".

**RUE, Lilla.** — In loving memory of my dear Nana, who passed away 18th June, 1968. A beautiful star shines on a grave of my Nana I loved and could not save. No words I write could ever say Just how I feel on this sad day. Always remembered by her granddaughter Jeannie.

**RUE, Lilla.** — In loving memory of our darling mother, who passed away 18th June, 1968. The month of June comes with regret, For it brings back the day we will never forget. No words we could write could ever say How much we loved you and miss you each day. Deep in our hearts your memory is kept, We loved you too dearly to ever forget. Never forgotten by her daughters—Della, Merle and Ruby.

**TUMETH, Alfred George.** — In memory of my dear husband and our father, who passed away 17th June, 1967.

When links of life are broken and loved ones have to pass, They leave a wound that never heals inside our aching hearts; But precious memories never die; We will always remember you. Sadly missed by your wife Hazel, children, sisters-in-law and sons-in-law and grandchildren.

**TUMETH, Alfred George.** — In loving memory of my dear father, father-in-law and poppy, passed away 17th June, 1967. Too dearly loved to ever be forgotten.—Jean, George, Debbie and Karen.

## RETURN THANKS

The family of the late Ida Ferguson, 7 High Street, Balmain wish to thank friends and neighbours for their kind expressions and floral tributes in the loss of their mother. Special thanks to Mrs. McConnell, Mrs. Preslee, Mrs. Turk and Mrs. McGill, also Dr. Clumeck and Nurse Walker. Please accept this as our personal thanks.

## RETURN THANKS

Mrs. A. Brignall and family, of 3 Easton Street, Rozelle, wish to thank relatives, friends, neighbours, doctors and nurses of Balmain Hospital for their kindness, expressions of sympathy, cards and floral tributes in the sad loss of her son Harry, and their brother and brother-in-law. Please accept this as our personal thanks as many addresses are unknown.

## PERSONAL

MY personal thanks to all those persons with whom I have been associated during the past nine years. Their kindness and friendship has been very much appreciated. I am leaving the district for health reasons. With best wishes. (Mrs.) Jean Woodward.

# Rabbitos Trounce The Tigers

Balmain's Tigers were well and truly trounced by South Sydney's Rabbitos—to the tune of 22-5—at the Sydney Cricket Ground last Saturday.

Souths won the game very convincingly, yet Balmain will prove very hard to beat if they meet in the grand final, particularly if the Tigers can win a greater share of the ball.

I'm not convinced Souths are as good as the experts say. They won a lion's share of the ball, yet it was only through Bobby McCarthy's being in the right place at the right time that they scored so well. And it was only in the latter stages of the game that they got really on top.

In view of the first-round encounter, what happened to Balmain's tackling? Fancy Paul Sait running through the whole pack without a hand being laid on him! In the first round Balmain never allowed any of Souths' forwards to run far.

Len Killeen had an unhappy day with both boot and general play, landing only one goal and giving McCarthy an easy try. Everyone has his off-days, of course. Maybe Len will have a blinder when next we meet Souths.

### Gamble

Balmain's gamble in playing Harold Browne lasted only 30 minutes. Unfortunately for both him and Balmain, his shoulder again packed up. I'm sure everyone joins me in wishing Harold a speedy and lasting recovery, as centres of his calibre are not easy to come by.

Naturally, we can't hand out too many bouquets, but, in the circumstances, I thought Jacky Spencer, Gary Leo and Peter Provan tried hard. Sid Williams also tried hard, but was obvi-

from the

## TIGERS CORNER

ously in his wrong position.

Despite loss of the scrums, I thought John Crawford had a good game and kept trying right up to the final siren.

As usual, Keith Outten and Dave Bolton gave their best, but their opportunities were limited.

Keith was injured in a car smash over the week-end, and will be off the field for about a month.

### Awards

Bennett's Electrical Best and Fairest awards were as follow:

First grade: 3. K. Outten; 2. O. Prattl; 1. G. Leo.

Thirds: 3. M. Ross; 2. J. Bragg; 1. K. Hanneman.

Progress points are:  
Firsts: 14. K. Outten; 11. G. Leo; 10. J. Spencer; 9. P. Provan; 8. O. Prattl.

Thirds: 16. M. Ross; 8. A. Fogg; 6. J. Bragg; 5. K. Hanneman; 4. R. Loomes; 3. Boulton; 2. Stanton.

Congratulations to our reserve grade side for keeping the flag flying. They scored a very impressive victory over Souths. If they hold present form they must have a strong chance of making the semi-finals.

Next Sunday we make the long trek to Endeavour Park to tackle Cronulla-Sutherland. It's hoped the Tigers will return to the winning list then.

**1969 HEART FUND APPEAL**  
 If you've got a heart, it'll be worth your while.  
 If you can spare two hours on June 22, to knock on doors for the Heart Foundation, please phone us at Heart Appeal Headquarters: 28,3434 or 28,3535 between 9 a.m. and 9 p.m. Monday to Friday and 9 a.m. to 12.00 noon on Saturday.  
 Right now, heart disease kills 159 people in Australia every day. We're fighting it; and slowly we're winning. Through research, through education; through rehabilitation. But we have to ask for more money. We're doing this through an appeal on June 22. And we need more askers.
